

ZERO HARM

24/7

courage to care

KBR Key Office Behaviors

Emergency Arrangements - Evacuate calmly using your nearest emergency exit

Driving - Do not use cell phone and minimize distractions

Stairs / Escalator - Hold the hand rail

Health - Be fit for work

Situational Awareness - Ensure all walkways are free of obstructions

Site Visits - Complete your travel risk assessment and journey management plan

Environment - Reduce, Reuse and Recycle

Manual Handling - Plan your lift: consider the task, size, weight and travel distance

Ergonomics - Adjust your workstation and chair to suit your needs and comfort
